

AMITA Health Adventist Medical Center Hinsdale

AMITA Health Adventist Medical Center Hinsdale has been providing compassionate, faith-based care in the Hinsdale community since 1904 and offers the latest in emergency medical and surgical care, including imaging services, heart and vascular care, cancer care, orthopedic and neurological care

AMITA Health

AMC Hinsdale and La Grange operate as one hospital on two campuses, and is part of AMITA Health, an award-winning, faith-based healthcare system with the mission of extending the healing ministry of Jesus.

AMITA Health continues the legacies of our founding health systems, which have served the Chicagoland area for more than 150 years. As one of the largest health systems in Illinois - with 14 acute care hospitals, 5 specialty hospitals, and over 200 care sites - we are committed to delivering and expanding access to compassionate and personalized care for all, with special attention to those who are the most vulnerable.

In the midst of rapid change in healthcare, AMITA Health is transforming our system to provide healthcare that is more accessible, accountable and holistic.
