AMITA Health Adventist GlenOaks is a safety net hospital serving Chicago's western suburbs since 1980. It offers highly personalized, compassionate care, new technologies, all-private patient rooms and quality medical services.

## AMITA Health

Adventist GlenOaks is part of AMITA Health, an award-winning, faith-based healthcare system with the mission of extending the healing ministry of Jesus.

AMITA Health continues the legacies of our founding health systems, which have served the Chicagoland area for more than 150 years. As one of the largest health systems in Illinois - with 14 acute care hospitals, 5 specialty hospitals, and over 200 care sites - we are committed to delivering and expanding access to compassionate and personalized care for all, with special attention to those who are the most vulnerable.

In the midst of rapid change in healthcare, AMITA Health is transforming our system to provide healthcare that is more accessible, accountable and holistic.
