

AMITA Health Resurrection Medical Center

AMITA Health Resurrection Medical Center is an award-winning health care facility that has been providing comprehensive, compassionate care on Chicago's northwest side since 1953. Resurrection offers highly specialized tertiary care, a world-class open-heart surgery program, and is ranked among the best hospitals in Illinois for neuroscience and stroke care.

AMITA Health

Resurrection Medical Center is part of AMITA Health, an award-winning, faith-based healthcare system with the mission of extending the healing ministry of Jesus.

AMITA Health continues the legacies of our founding health systems, which have served the Chicagoland area for more than 150 years. As one of the largest health systems in Illinois - with 14 acute care hospitals, 5 specialty hospitals, and over 200 care sites - we are committed to delivering and expanding access to compassionate and personalized care for all, with special attention to those who are the most vulnerable.

In the midst of rapid change in healthcare, AMITA Health is transforming our system to provide healthcare that is more accessible, accountable and holistic.
