

AMITA Health Saint Joseph Medical Center Joliet

AMITA Health Saint Joseph Hospital Joliet is an academic medical center providing the personalized, compassionate care of a local hospital. Recognized as one of Chicagoland's top hospitals with a nationally recognized heart and vascular program and one of the nation's leading cancer centers.

AMITA Health

Saint Joseph Hospital Joliet is part of AMITA Health, an award-winning, faith-based healthcare system with the mission of extending the healing ministry of Jesus.

AMITA Health continues the legacies of our founding health systems, which have served the Chicagoland area for more than 150 years. As one of the largest health systems in Illinois - with 14 acute care hospitals, 5 specialty hospitals, and over 200 care sites - we are committed to delivering and expanding access to compassionate and personalized care for all, with special attention to those who are the most vulnerable.

In the midst of rapid change in healthcare, AMITA Health is transforming our system to provide healthcare that is more accessible, accountable and holistic.
