Working together

Many individuals and organizations in our community provide services to help children, adults and older adults live healthier lives. We work closely with the Northwest Chicago, West Town and Lakeshore Community Leadership Boards to identify and meet the most critical health care needs of each community. These include:

- **Prevention and management of diabetes and obesity**
- **Mental health and substance abuse services**
- **Availability of care for seniors (Northwest Chicago)**
- **Homelessness and affordable housing (West Town)**
