

# The heart of the community

Working with the Greater Evanston Community Leadership Board

## Impacting the economy

In 2014, our hospital had an estimated total economic impact of **\$358.2 million**

- For every hospital job, nearly 1.5 jobs are created in other sectors, totaling **2,038 jobs**
- Money earned by our associates and spent in the community generates **\$156.0 million in economic activity**
- Dollars spent by our hospital generate **\$172.5 million for the local and state economy**

## Working together

Many individuals and organizations in our community provide services to help children, adults and older adults live healthier lives. We work closely with the Greater Evanston Community Leadership Board to identify and meet the most critical health care needs of our community, which include:

- **Prevention and management of diabetes and obesity**
- **Mental health and substance abuse services**
- **Helping those whose lives are impacted by violence**
