

2018 ADVOCACY EFFECTIVENESS

Our public policy priorities are aligned in four key areas to achieve our business and mission goals – protecting our fiscal position, addressing our communities' health, transforming health care delivery, and ensuring the highest quality and safety for our patients.

Bills Supported

2018 By the Numbers

Our advocacy team reviewed

3,946 Bills

and identified

64 Bills

where Presence Health was able to make a difference.

49 Bills

became law, impacting millions of patients in Illinois.

Our leaders and associates

joined

12

advocacy calls,

sent

855

messages to elected officials,

participated in

426

advocacy meetings, and

5,478

became new Advocacy Hub users.

Effectiveness Score

128

68% Increase Year-Over-Year

The effectiveness of our advocacy efforts are evaluated using weighted criteria:

- 1) Impact the policy has on priorities
- 2) Effort invested in policy process
- 3) Policy Outcome

2017 is our baseline year. The effectiveness score for 2017 was 88.
