

AMITA Health Adventist Medical Center GlenOaks, Glendale Heights

SENATE DISTRICT 23 HOUSE DISTRICT 46

BEHAVIORAL HEALTH

Improving associate safety in behavioral health inpatient settings

We provided our associates with technology to send an immediate call for help during security emergencies. Two initiatives included two specific devices:

- ▶ Two-way radios with a dedicated channel monitored by our security department
- ▶ Panic buttons to be worn by staff at all times

Patient, Family & Community Impact

Reduces harm to patients

Reduces family stress and care concerns

Improves patient outcomes

Saving Lives, Saving Dollars

Launch date: 2019
